Handicap

Gross Scores

Players & Markers Signatures

### *Slow Play*

---

Beware of slow play; keep up with the group in front, keep ahead of the group behind and wave players through rather than delaying their game. Consistent slow play may result in players being banned from the next competition. It is every competitor's responsibility to avoid slow play and make the competition more enjoyable for all. In all Stableford competitions, if you are not going to score the ball should be picked up.

all players are asked to book in with the starter in the clubhouse a minimum of 20 minutes before their tee off time.

You must register with the pro-shior to play.

Please arrive on the tee 5 minutes prior to play.

Respect other golfers by avoiding slow play.

Please ensure all pitchmarks are repaired,  
Divots are replaced and that bunkers are raked.

Please use defined pathways from greens to tees and  
do not cross over teeing areas with carts, trolleys or  
buggies.

Enjoy your golf!

## *Fast Play Makes Fast Friends*

---

Before we run down a list of suggestions for speeding up play, it's important to note the many of these tips have nothing to do with rushing your play, but rather with simply being ready to play, and with using common sense and good etiquette on the course.

1. Play **Ready Golf** where order of play is based on whose ready, not on whose honour it is.
  2. keep your group up to speed - don't lose ground on the group in front and if you hold up the group behind do let them through.
  3. don't try to emulate tour golfers and their routines it's not your livelihood.
  4. if your ball goes in the rough, play a provisional immediately. if several players have "lost" balls, look for your own, do not move in a pack from one area to another.
  5. don't be frightened to impress upon your playing partners to speed up.
  6. reduce the length of time of your pre-shot routine- 30 seconds/player is more than enough.
  7. mark your card while others are teeing off - not at the side of the green.
  8. make sure you park your trolley or buggy on the right side of the green for a speedy exit to the next tee.
  9. really, do you need that many practice swings!
  10. watch where you and your partner hits their ball.
-
