

Wellness @ THE CHASE

"Watch This Space"

We hope you are loving the new Wellness area as much as we are and you're finding it a much more peaceful environment to wait for your appointment

We feel the addition of Gaynor's Acupuncture service and Zoe's Laser Treatments are a real bonus to our members and guests

We will be launching a brand new brochure, with some updates to our range of services and pricing, from October 2023 and hopefully introducing another Therapist and Treatment provider.

Cancellations

Sometimes life gets in the way which can impact your ability to attend your treatment and enjoy your "you time". We understand that, and CURRENTLY don't impose any charges for late cancellations. We are in the extremely fortunate position of being very busy, with popular therapists that are in high demand.

As a courtesy we have recently started calling all members and clients two days in advance to remind them of their appointments which is proving very popular.

We will keep monitoring the number of cancellations we experience and hope that members and clients getting in touch with as much notice as possible of a cancellation and the additional calls we are making will avoid the need for us to reintroduce cancellation charges.

Thank you for your support with the above.
